

## ONE HUNDRED FIRST LEGISLATURE

## SECOND SESSION

## LEGISLATIVE RESOLUTION 538

Introduced by Pirsch, 4.

Read first time March 29, 2010

Committee: Government, Military and Veterans Affairs

WHEREAS, in 1976 the Nebraska Legislature passed Legislative Resolution 106 that read as follows:

"LEGISLATIVE RESOLUTION 106.

WHEREAS, with each passing year this nation becomes more deeply in debt as its expenditures grossly and repeatedly exceed available revenue, so that the public debt now exceeds hundreds of billions of dollars; and

WHEREAS, the annual federal budget continually demonstrates an unwillingness or inability of both the legislative and executive branches of the federal government to curtail spending to conform to available revenue; and

WHEREAS, unified budgets do not reflect actual spending because of the exclusion of special outlays which are not included in the budget nor subject to the legal public debt limit; and

WHEREAS, knowledgeable planning, fiscal prudence, and plain good sense require that the budget reflect all federal spending and be in balance; and

WHEREAS, believing that fiscal irresponsibility at the federal level, with the inflation which results from this policy,

is the greatest threat which faces our nation, we firmly believe that constitutional restraint is necessary to bring the fiscal discipline needed to restore financial responsibility; and

WHEREAS, under article V of the Constitution of the United States, amendments to the federal Constitution may be proposed by the Congress whenever two-thirds of both houses deem it necessary, or on the application of the Legislatures of two-thirds of the several states, the Congress shall call a constitutional convention for the purpose of proposing amendments. We believe such action is vital.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE EIGHTY-FOURTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That this body proposes to the Congress of the United States that procedures be instituted in the Congress to add a new article to the Constitution of the United States, and that the State of Nebraska requests the Congress to prepare and submit to the several states an amendment to the Constitution of the United States, requiring in the absence of a national emergency that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenue for that fiscal year.

2. That, alternatively, this Legislature makes application and requests that the Congress of the United States call a constitutional convention for the specific and exclusive purpose of proposing an amendment to the Constitution of the United States requiring in the absence of a national emergency that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal

revenue for that fiscal year.

3. That this Legislature also proposes that the Legislatures of each of the several states comprising the United States apply to the Congress requesting the enactment of an appropriate amendment to the federal Constitution; or requiring the Congress to call a constitutional convention for proposing such an amendment to the federal Constitution.

4. That the Clerk of the Legislature transmit a copy of this resolution to the President of the Senate of the United States, the Speaker of the House of Representatives of the United States, each member of the Nebraska Congressional delegation, the Secretaries of State and the Legislatures of each of the several states, and the Secretary of State for the State of Nebraska."; and

WHEREAS, the national debt has continued to grow and has generated concern from economists, legislators, and taxpayers across the country.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED FIRST LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. The Legislature remains committed to seeking a federal balanced budget.

2. The Clerk of the Legislature shall transmit a copy of this resolution to the President of the Senate of the United States, the Speaker of the House of Representatives of the United States, each member of the Nebraska Congressional delegation, the Secretaries of State and the Legislatures of each of the several states, and the Secretary of State for the State of Nebraska.
