

LEGISLATIVE BILL 770

Approved by the Governor March 7, 2012

Introduced by Carlson, 38.

FOR AN ACT relating to agriculture; to amend sections 81-2,147.01 and 81-2,147.03, Reissue Revised Statutes of Nebraska; to redefine a term; to adopt updated labeling requirements under the Nebraska Seed Law; and to repeal the original sections.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 81-2,147.01, Reissue Revised Statutes of Nebraska, is amended to read:

81-2,147.01 As used in the Nebraska Seed Law:

(1) Advertisement means all representations, other than those on the label, disseminated in any manner or by any means relating to seed, including farm grain represented as suitable for sowing, within the scope of the Nebraska Seed Law;

(2) Agricultural seed includes the seeds of grass, forage, cereal, oil and fiber crops, and lawn and mixtures of such seeds and any other kinds of seed commonly recognized within this state as agricultural seeds and may include the seed of any plant that is being used as an agricultural crop when the Director of Agriculture establishes in rules and regulations that such seed is being used as agricultural seed;

(3) Blend means seeds consisting of more than one variety of a kind, each in excess of five percent by weight of the whole;

(4) Brand means a word, name, symbol, number, or design to identify seed of one person to distinguish it from seed of another person;

(5) Certifying agency means (a) an agency authorized under the laws of a state, territory, or possession of the United States to officially certify seed and which has standards and procedures approved by the United States Secretary of Agriculture to assure genetic purity and identity of the seed certified or (b) an agency of a foreign country which is determined by the United States Secretary of Agriculture to adhere to procedures and standards for seed certification comparable to those adhered to generally by certifying agencies under subdivision (a) of this subdivision;

(6) Conditioning means drying, cleaning, scarifying, or other operations which could change the purity or germination of the seed and require the seed lot or any definite amount of seed to be retested to determine the label information;

(7) Director means the Director of Agriculture or his or her designated employee or representative or authorized agent;

(8) Dormant seed means viable seeds, other than hard seeds, which fail to germinate when provided the specified germination conditions for the kind of seed in question;

(9) Flower seed includes seeds of herbaceous plants grown for their blooms, ornamental foliage, or other ornamental parts and commonly known and sold under the name of flower or wildflower seeds in this state;

(10) Germination means the emergence and development from the seed embryo of those essential structures which for the kind of seed in question are indicative of the ability to produce a normal plant under favorable conditions;

(11) Hard seed means seeds which remain hard at the end of the prescribed test period because they have not absorbed water due to an impermeable seed coat;

(12) Hybrid means the first generation seed of a cross produced by controlling the pollination and by combining (a) two or more inbred lines, (b) one inbred or a single cross with an open-pollinated variety, or (c) two varieties or species except open-pollinated varieties of corn (*Zea mays*). The second generation and subsequent generations from such crosses shall not be regarded as hybrids. Hybrid designations shall be treated as variety names;

(13) Inert matter means all matter not seed which includes broken seeds, sterile florets, chaff, fungus bodies, and stones as established by rules and regulations;

(14) Kind means one or more related species or subspecies which singly or collectively are known by one common name, such as corn, oats, alfalfa, and timothy;

(15) Labeling includes all labels and other written, printed, stamped, or graphic representations, in any form whatsoever, accompanying or pertaining to any seed, whether in bulk or in containers, and includes representations on invoices;

(16) Lot means a definite quantity of seed in containers or bulk identified by a lot number or other mark, every portion of which is uniform within recognized tolerances for the factors that appear in the labeling;

(17) Mixture, mix, or mixed means seeds consisting of more than one kind, each present in excess of five percent by weight of the whole;

(18) Mulch means a protective covering of any suitable material placed with seed which acts to retain sufficient moisture to support seed germination and sustain early seedling growth and aids in preventing the evaporation of soil moisture, controlling weeds, and preventing erosion;

(19) Origin means a foreign country or designated portion thereof, a state, the District of Columbia, Puerto Rico, or a possession of the United States, where the seed was grown;

(20) Other crop seed means seed of plants grown as crops, other than the kind or variety included in the pure seed, as established by rules and regulations;

(21) Person includes any corporation, company, society, association, body politic and corporate, community, individual, partnership, limited liability company, or joint-stock company or the public generally;

(22) Primary noxious weed seeds means the seeds of the following plants: Canada thistle (*Cirsium arvense*), leafy spurge (*Euphorbia esula*), musk thistle (*Carduus nutans*), plumeless thistle (*Carduus acanthoides*), spotted knapweed (*Centaurea maculosa*), diffuse knapweed (*Centaurea diffusa*), and any other plant designated by the director as a noxious weed pursuant to the Noxious Weed Control Act. Pursuant to subdivision (1)(c) of section 81-2,147.06, the director may add to or subtract from this primary noxious weed seeds list;

(23) Prohibited noxious weed seeds means the seeds of plants which are highly destructive and difficult to control in this state by ordinary good cultural practice, the use of herbicides, or both and includes field bindweed (*Convolvulus arvensis*), hoary cress (*Cardaria draba*), Russian knapweed (*Centaurea repens*), johnsongrass (*Sorghum halepense*), Scotch thistle (*Onopordum acanthium*), morning glory (*Ipomoea purpurea*) when found in field crop seeds, skeletonleaf bursage (*Ambrosia discolor*), woollyleaf bursage (*Ambrosia tomentosa*), serrated tussock (*Nassella trichotoma*), and puncturevine (*Tribulus terrestris*). Pursuant to subdivision (1)(c) of section 81-2,147.06, the director may add to or subtract from this prohibited noxious weed seeds list;

(24) Pure live seed means the product of the percent of germination plus percent of hard or dormant seed multiplied by the percent of pure seed divided by one hundred. The result shall be expressed as a whole number;

(25) Pure seed means seed exclusive of inert matter and all other seeds not of the seed being considered as established by rules and regulations;

(26) Record means any and all information which relates to the origin, treatment, germination, purity, kind, and variety of each lot or definite amount of seed handled in this state. Such information includes seed samples and records of declarations, labels, purchases, sales, conditioning, bulking, treatment, handling, storage, analyses, tests, and examinations;

(27) Restricted noxious weed seeds means the seeds of plants which are objectionable in fields, lawns, and gardens of this state but can be controlled by ordinary good cultural practice, the use of herbicides, or both and includes dodder (*Cuscuta* spp.), wild mustard (*Brassica* spp.), dock (*Rumex* spp.), quackgrass (*Elytrigia repens*), pennycress (*Thlaspi arvense*), purple loosetrife (*Lythrum salicaria*), and horsenettle (*Solanum carolinense*). Pursuant to subdivision (1)(c) of section 81-2,147.06, the director may add to or subtract from this restricted noxious weed seeds list;

(28) Sale in any of its variant forms means sale, to barter, exchange, offer for sale, expose for sale, move, or transport, in any of their variant forms, or otherwise supplying;

(29) Screenings means the results of the process which removes, in any way, weed seed, inert matter, and other materials from any agricultural, vegetable, or flower seed in any kind of cleaning process;

(30) Seizure means a legal process carried out by court order against a definite amount or lot of seed;

(31) Stop-sale order means an administrative order provided by law restraining the sale, use, disposition, and movement of a definite amount or lot of seed;

(32) Tetrazolium (TZ) test means a type of test in which chemicals are used to produce differential staining of strong, weak, and dead tissues, which is indicative of the potential viability of seeds;

(33) Treated means that the seed has been given an application of a substance or subjected to a process or coating for which a claim is made or

which is designed to reduce, control, or repel disease organisms, insects, or other pests which attack seeds or seedlings growing therefrom;

(34) Variety means a subdivision of a kind which is distinct, uniform, and stable. For purposes of this subdivision: (a) Distinct means that the variety can be differentiated by one or more identifiable morphological, physiological, or other characteristics from all other varieties of public knowledge; (b) uniform means that variations in essential and distinctive characteristics are describable; and (c) stable means that the variety will remain unchanged in its essential and distinctive characteristics and its uniformity when reproduced or reconstituted as required by the different categories of varieties;

(35) Vegetable seed includes the seeds of those crops which are grown in gardens and on truck farms and are generally known and sold under the name of vegetable or herb seeds in this state; and

(36) Weed seed includes the seeds of any plant generally recognized as a weed within this state as established in rules and regulations and includes the primary noxious weed seeds, prohibited noxious weed seeds, and restricted noxious weed seeds.

Sec. 2. Section 81-2,147.03, Reissue Revised Statutes of Nebraska, is amended to read:

81-2,147.03 (1) It shall be unlawful for any person to sell any agricultural, vegetable, or flower seed within this state:

(a) Unless the test to determine the percentage of germination required in section 81-2,147.02 has been completed within a nine-month period, exclusive of the calendar month in which the test was completed, immediately prior to sale, except that for those seeds as established in rules and regulations, the test to determine the percentage of germination shall have been completed within a twelve-month period, exclusive of the calendar month in which the test was completed, immediately prior to sale. Seeds packaged in hermetically sealed containers under the conditions established in rules and regulations may be sold for a period of thirty-six months after the last day of the month that the seeds were tested prior to packaging. If the seeds in hermetically sealed containers are sold more than thirty-six months after the last day of the month in which they were tested prior to packaging, they shall have been retested for germination within a nine-month period, exclusive of the calendar month in which the retest was completed, immediately prior to their sale;

(b) Not labeled in accordance with the provisions of the Nebraska Seed Law or having a false and misleading labeling. In case agricultural seed is sold in bulk or sold from bulk, the information required under section 81-2,147.02 may be supplied by a printed or written statement to be furnished to any purchaser of such seed;

(c) Pertaining to which there has been a false or misleading advertisement, statement, invoice, or declaration;

(d) Consisting of or containing primary noxious weed seeds;

(e) Consisting of or containing prohibited noxious weed seeds, subject to recognized tolerances;

(f) Consisting of or containing restricted noxious weed seeds per pound in excess of the number declared on the label attached to the container of the seed or associated with the seed, subject to recognized tolerances. The recognized tolerances shall not exceed one-half of one percent by weight;

(g) Containing more than two percent by weight of all weed seed other than primary noxious weed seed, prohibited noxious weed seed, and restricted noxious weed seed. This subdivision does not apply to agricultural, vegetable, or flower seeds specifically allowed in the rules and regulations to contain four percent or less by weight of weed seed;

(h) If any labeling, advertising, or other representation subject to the Nebraska Seed Law represents the seed to be certified or registered seed unless (i) it has been determined by a certifying agency that such seed was produced, conditioned, and packaged and conforms to standards of purity as to kind or kind and variety in compliance with rules and regulations of such agency pertaining to such seed and (ii) the seed bears an official label issued for such seed by a certifying agency stating that the seed is certified or registered; and

(i) For reproductive purposes which is not certified by an official certifying agency when it is a variety for which an application has been made or accepted or a certificate of plant variety protection is issued under the federal Plant Variety Protection Act specifying sale only as a class of certified seed, except that seed from a certified lot may be labeled as to variety name when used in a mixture by or with the approval of the owner of the variety.

(2) It shall be unlawful for any person within this state:

(a) To detach, alter, deface, or destroy any label provided for in the Nebraska Seed Law or established in the rules and regulations adopted and promulgated under such law or to alter or substitute seed in a manner that may defeat the purpose of such law;

(b) To disseminate any false or misleading advertisements concerning agricultural, vegetable, or flower seeds in any manner or by any means;

(c) To hinder or obstruct in any way any authorized person in the performance of his or her duties under the Nebraska Seed Law;

(d) To fail to comply with a stop-sale order or to move or otherwise handle or dispose of any lot of seed held under a stop-sale order or tags attached thereto, except with written permission of the enforcing officer and for the purpose specified thereby;

(e) To sell screenings if they contain any seed of primary, prohibited, or restricted noxious weeds unless they have been conditioned to destroy the viability of such seed;

(f) To use the word trace as a substitute for any statement which is required;

(g) To use the word type in any labeling in connection with the name of any agricultural seed variety;

(h) To plant seed which the person knows contains a prohibited noxious weed seed in excess of the recognized tolerances utilized in subdivision (1)(e) of this section or contains primary noxious weed seed; or

(i) To alter or falsify any seed label, seed test, laboratory report, record, or other document in a manner which creates a false or misleading impression as to kind, variety, history, quality, or origin of the seed.

(3) All seed sold shall be labeled on the basis of tests performed by a seed laboratory using Rules for Testing Seeds adopted by the Association of Official Seed Analysts as of January 1, ~~1997~~ 2012.

Sec. 3. Original sections 81-2,147.01 and 81-2,147.03, Reissue Revised Statutes of Nebraska, are repealed.
