Summary of purpose and/or changes:

Redefines "utility-type vehicle" to accommodate new 4 passenger models being manufactured that are slightly longer than what was produced when the law was originally passed in 2010. Increases the length of vehicles allowable under the definition of "utility-type" from 135 inches to 180 inches.

Section-by-section description:

Section 1 amends 60-135.01 of the Motor Vehicle Certificate of Title Act, changing the definition of "utility-type vehicle" to a length of 180 inches from 135 inches.

Section 2 amends 60-358.01 of the Motor Vehicle Registration Act, changing the definition of "utility-type vehicle" to a length of 180 inches from 135 inches.

Section 3 amends 60-6,355(1)(b)(i) of the Nebraska Rules of the Road, changing the definition of "utility-type vehicle" to a length of 180 inches from 135 inches.

Section 4 repeals original sections.
