**LB1083**

---

**Chairperson: Senator Steve Lathrop**

**Committee: Business and Labor**

**Date of Hearing: February 10, 2014**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1083 expands the current customized job training program administered by the Nebraska Department of Economic Development to offer additional incentive to grant applicants that hire recently separated military veterans. This bill defines recently separated military veterans as members of the military service that have been honorably discharged within the twenty-four month period prior to the applicants for a training grant. Maximum grant amounts available within current statute would be increased to employers that hire these recently separated military veterans.
