**Date of Hearing: January 21, 2014**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 758 eliminates the requirement that truck drivers carry the original registration certificate for trailers. The bill would allow truck drivers to carry a photo copy of the trailer registration in the truck or in the trailer. The original registration certificate for the truck cab is still required to be carried on the motor vehicle.
