

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB91

Chairperson: Senator Tom Carlson

Committee: Natural Resources

Date of Hearing: January 24, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 91 would require professional geologists to respond to disclosure questions on the application for license renewal to determine fitness to maintain a license and allow denial of a Nebraska license based on responses.

Additionally, the bill would add a provision for reciprocal licensure by experience for applicants who meet the requirements.

The bill also allows applicants to take the fundamentals of geology examination upon substantial completion of the educational requirements.
