3 county to exceed its levy authority under this section, the second county
4 may exceed the levy authority in order to levy the amount allocated.

5 (9) Municipal counties may levy or authorize a maximum levy of one
6 dollar per one hundred dollars of taxable valuation of property subject

28 liability insurance coverage of a political subdivision, (b) for
29 preexisting lease-purchase contracts approved prior to July 1, 1998, (c)
30 for bonds as defined in section 10-134 approved according to law and

1 bonded indebtedness issued by educational service units and school
2 districts, and (d) for payments by a public airport to retire interest-
3 free loans from the Department of Aeronautics in lieu of bonded
4 indebtedness at a lower cost to the public airport are not included in
5 the levy limits established by this section.

6 (~~13~~ 12) The limitations on tax levies provided in this section are
7 to include all other general or special levies provided by law.
8 Notwithstanding other provisions of law, the only exceptions to the
9 limits in this section are those provided by or authorized by sections
10 77-3442 to 77-3444.

11 (~~14~~ 13) Tax levies in excess of the limitations in this section
12 shall be considered unauthorized levies under section 77-1606 unless

20 pursuant to subsection (7) of section 79-458, if the combined levies,
21 except levies for bonded indebtedness approved by the voters of the
22 school district and levies for the refinancing of such bonded
23 indebtedness, are in excess of the greater of (a) one dollar and twenty
24 cents per one hundred dollars of taxable valuation of property subject to
25 the levy or (b) the maximum levy authorized by a vote pursuant to section
26 77-3444, all school district levies, except levies for bonded
27 indebtedness approved by the voters of the school district and levies for
28 the refinancing of such bonded indebtedness, shall be considered
29 unauthorized levies under section 77-1606.

30 Sec. 4. Section 77-3443, Revised Statutes Supplement, 2015, is
31 amended to read:

1 77-3443 (1) All political subdivisions, other than (a) school
2 districts, community colleges, natural resources districts, educational
3 service units, cities, villages, counties, municipal counties, rural and
4 suburban fire protection districts that have levy authority pursuant to
5 subsection (10) of section 77-3442, railroad transportation safety
6 districts, and sanitary and improvement districts and (b) political
7 subdivisions subject to municipal allocation under subsection (2) of this
8 section, may levy taxes as authorized by law which are authorized by the
9 county board of the county or the council of a municipal county in which
10 the greatest portion of the valuation is located, which are counted in
11 the county or municipal county levy limit provided in section 77-3442,
12 and which do not collectively total more than fifteen cents per one
13 hundred dollars of taxable valuation on any parcel or item of taxable
14 property for all governments for which allocations are made by the
15 municipality, county, or municipal county, except that such limitation
16 shall not apply to property tax levies for preexisting lease-purchase
17 contracts approved prior to July 1, 1998, for bonded indebtedness
18 approved according to law and secured by a levy on property, and for
19 payments by a public airport to retire interest-free loans from the
20 Department of Aeronautics in lieu of bonded indebtedness at a lower cost
21 to the public airport. The county board or council shall review and
22 approve or disapprove the levy request of all political subdivisions
23 subject to this subsection. The county board or council may approve all
24 or a portion of the levy request and may approve a levy request that
25 would allow the requesting political subdivision to levy a tax at a levy
26 greater than that permitted by law. The county board of a county or the
27 council of a municipal county which contains a transit authority created
28 pursuant to section 14-1803 shall allocate no less than three cents per
29 one hundred dollars of taxable property within the city or municipal
30 county subject to the levy to the transit authority if requested by such
31 authority. For any political subdivision subject to this subsection that

1 receives taxes from more than one county or municipal county, the levy
2 shall be allocated only by the county or municipal county in which the
3 greatest portion of the valuation is located. The county board of
4 equalization shall certify all levies by October 15 to insure that the
5 taxes levied by political subdivisions subject to this subsection do not
6 exceed the allowable limit for any parcel or item of taxable property.
7 The levy allocated by the county or municipal county may be exceeded as
8 provided in section 77-3444.

9 (2) All city airport authorities established under the Cities
10 Airport Authorities Act, community redevelopment authorities established
11 under the Community Development Law, transit authorities established
12 under the Transit Authority Law, and offstreet parking districts
13 established under the Offstreet Parking District Act may be allocated
14 property taxes as authorized by law which are authorized by the city,
15 village, or municipal county and are counted in the city or village levy
16 limit or municipal county levy limit provided by section 77-3442, except
17 that such limitation shall not apply to property tax levies for
18 preexisting lease-purchase contracts approved prior to July 1, 1998, for
19 bonded indebtedness approved according to law and secured by a levy on
20 property, and for payments by a public airport to retire interest-free
21 loans from the Department of Aeronautics in lieu of bonded indebtedness
22 at a lower cost to the public airport. For offstreet parking districts
23 established under the Offstreet Parking District Act, the tax shall be
24 counted in the allocation by the city proportionately, by dividing the
25 total taxable valuation of the taxable property within the district by
26 the total taxable valuation of the taxable property within the city
27 multiplied by the levy of the district. The city council of a city which
28 has created a transit authority pursuant to section 14-1803 or the
29 council of a municipal county which contains a transit authority shall
30 allocate no less than three cents per one hundred dollars of taxable
31 property subject to the levy to the transit authority if requested by

1 such authority. The city council, village board, or council shall review
2 and approve or disapprove the levy request of the political subdivisions
3 subject to this subsection. The city council, village board, or council
4 may approve all or a portion of the levy request and may approve a levy
5 request that would allow a levy greater than that permitted by law. The
6 levy allocated by the municipality or municipal county may be exceeded as
7 provided in section 77-3444.

8 (3) On or before August 1, all political subdivisions subject to
9 county, municipal, or municipal county levy authority under this section
10 shall submit a preliminary request for levy allocation to the county
11 board, city council, village board, or council that is responsible for
12 levying such taxes. The preliminary request of the political subdivision
13 shall be in the form of a resolution adopted by a majority vote of
14 members present of the political subdivision's governing body. The
15 failure of a political subdivision to make a preliminary request shall
16 preclude such political subdivision from using procedures set forth in
17 section 77-3444 to exceed the final levy allocation as determined in
18 subsection (4) of this section.

19 (4) Each county board, city council, village board, or council shall
20 (a) adopt a resolution by a majority vote of members present which
21 determines a final allocation of levy authority to its political
22 subdivisions and (b) forward a copy of such resolution to the chairperson
23 of the governing body of each of its political subdivisions. No final
24 levy allocation shall be changed after September 1 except by agreement
25 between both the county board, city council, village board, or council
26 which determined the amount of the final levy allocation and the
27 governing body of the political subdivision whose final levy allocation
28 is at issue.

30 2014, is amended to read:

7 school board, county board, incorporated city or village, natural
8 resources district, community college, educational service unit, hospital
9 district, airport authority, fire protection district, railroad
10 transportation safety district, and township taxing property within the
11 county or counties. The elected governing body of each political
12 subdivision which has the legal authority to request property tax funding
13 or a levy set by the county board within a county may by resolution of
14 the governing body appoint one elected official from the governing board
15 to the council on public improvements and services.

16 Councils on public improvements and services may meet as often as
17 necessary prior to the adoption of budgets and property tax requests
18 affected by the levy limits described in sections 77-3442 to 77-3444. The
19 council shall jointly examine the budgets and property tax requests of
20 each governmental agency or quasi-governmental agency with statutory
21 authority to request a share of the property tax. The county clerk of
22 each county shall attend such meetings and keep a public record of the
23 proceedings. Each council on public improvements and services which is
24 created by resolution as provided in this section shall hold at least one
25 public meeting prior to the adoption of public budgets affected by the

27 continue to meet to discuss issues of public service provision in an
28 effective and coordinated manner, the impacts of levy limits, state and
