

One Hundred Fourth Legislature - First Session - 2015

Introducer's Statement of Intent

LB456

Chairperson: Senator Jim Scheer

Committee: Banking, Commerce and Insurance

Date of Hearing: February 09, 2015

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The Nebraska Exchange Stakeholder Commission was established in 2013 to make state based recommendations regarding implementation and operation of an insurance exchange and to work with federal officials to meet the requirements in the Affordable Care Act.

The statute currently states that the Commission will meet at least four times a year. LB 457 would reduce that to three times a year. LB 457 contains an emergency clause to enable the Commission to reduce the number of meetings this year.
