

AMENDMENTS TO LB702

Introduced by Health and Human Services.

1 1. Strike the original sections and insert the following new
2 sections:

3 Section 1. Section 42-369, Reissue Revised Statutes of Nebraska, is
4 amended to read:

5 42-369 (1) All orders, decrees, or judgments for temporary or
6 permanent support payments, including child, spousal, or medical support,
7 and all orders, decrees, or judgments for alimony or modification of
8 support payments or alimony shall direct the payment of such sums to be
9 made commencing on the first day of each month for the use of the persons
10 for whom the support payments or alimony have been awarded. Such payments
11 shall be made to the clerk of the district court (a) when the order,
12 decree, or judgment is for spousal support, alimony, or maintenance
13 support and the order, decree, or judgment does not also provide for
14 child support, and (b) when the payment constitutes child care or day
15 care expenses, unless payments under subdivision (1)(a) or (1)(b) of this
16 section are ordered to be made directly to the obligee. All other support
17 order payments shall be made to the State Disbursement Unit. In all cases
18 in which income withholding has been implemented pursuant to the Income
19 Withholding for Child Support Act or sections 42-364.01 to 42-364.14,
20 support order payments shall be made to the State Disbursement Unit. The
21 court may order such payment to be in cash or guaranteed funds.

22 (2)(a) If the party against whom an order, decree, or judgment for
23 child support is entered or the custodial party has health care coverage
24 ~~insurance~~ available to him or her through an employer, organization, or
25 other health care coverage ~~insurance~~ entity which may extend to cover any
26 children affected by the order, decree, or judgment and the health care
27 coverage is accessible to the children and is available to the

1 responsible party at reasonable cost, the court shall require health care
2 coverage to be provided. Health care coverage is accessible if the
3 covered children can obtain services from a plan provider with reasonable
4 effort by the custodial party. When the administrative agency, court, or
5 other tribunal determines that the only health care coverage option
6 available through the noncustodial party is a plan that limits service
7 coverage to providers within a defined geographic area, the
8 administrative agency, court, or other tribunal shall determine whether
9 the child lives within the plan's service area. If the child does not
10 live within the plan's service area, the administrative agency, court, or
11 other tribunal shall determine whether the plan has a reciprocal
12 agreement that permits the child to receive coverage at no greater cost
13 than if the child resided in the plan's service area. The administrative
14 agency, court, or other tribunal shall also determine if primary care is
15 available within thirty minutes or thirty miles of the child's residence.
16 For the purpose of determining the accessibility of health care coverage,
17 the administrative agency, court, or other tribunal may determine and
18 include in an order that longer travel times are permissible if
19 residents, in part or all of the service area, customarily travel
20 distances farther than thirty minutes or thirty miles. If primary care
21 services are not available within these constraints, the health care
22 coverage is presumed inaccessible. If health care coverage is not
23 available or is inaccessible and one or more of the parties are receiving
24 Title IV-D services, then cash medical support shall be ordered. Cash
25 medical support or the cost of health care coverage ~~private health~~
26 ~~insurance~~ is considered reasonable in cost if the cost to the party
27 responsible for providing medical support does not exceed three percent
28 of his or her gross income. In applying the three-percent standard, the
29 cost is the cost of adding the children to existing health care coverage
30 or the difference between self-only and family health care coverage. Cash
31 medical support payments shall not be ordered if, at the time that the

1 order is issued or modified, the responsible party's income is or such
2 expense would reduce the responsible party's net income below the basic
3 subsistence limitation provided in Nebraska Court Rule section 4-218. If
4 such rule does not describe a basic subsistence limitation, the
5 responsible party's net income shall not be reduced below nine hundred
6 three dollars net monthly income for one person or below the poverty
7 guidelines updated annually in the Federal Register by the United States
8 Department of Health and Human Services under the authority of 42 U.S.C.
9 9902(2).

10 (b) For purposes of this section:

11 (i) Health care coverage has the same meaning as in section
12 44-3,144; and

13 (ii) Cash medical support means an amount ordered to be paid toward
14 the cost of health care coverage ~~insurance~~ provided by a public entity or
15 by another parent through employment or otherwise or for other medical
16 costs not covered by insurance or other health care coverage.

17 (3) A support order, decree, or judgment may include the providing
18 of necessary shelter, food, clothing, care, medical support as defined in
19 section 43-512, medical attention, expenses of confinement, education
20 expenses, funeral expenses, and any other expense the court may deem
21 reasonable and necessary.

22 (4) Orders, decrees, and judgments for temporary or permanent
23 support or alimony shall be filed with the clerk of the district court
24 and have the force and effect of judgments when entered. The clerk and
25 the State Disbursement Unit shall disburse all payments received as
26 directed by the court and as provided in sections 42-358.02 and
27 43-512.07. Records shall be kept of all funds received and disbursed by
28 the clerk and the unit and shall be open to inspection by the parties and
29 their attorneys.

30 (5) Unless otherwise specified by the court, an equal and
31 proportionate share of any child support awarded shall be presumed to be

1 payable on behalf of each child subject to the order, decree, or judgment
2 for purposes of an assignment under section 43-512.07.

3 Sec. 2. Section 43-512.12, Reissue Revised Statutes of Nebraska, is
4 amended to read:

5 43-512.12 (1) Child support orders in cases in which a party has
6 applied for services under Title IV-D of the federal Social Security Act,
7 as amended, shall be reviewed by the Department of Health and Human
8 Services to determine whether to refer such orders to the county attorney
9 or authorized attorney for filing of an application for modification. An
10 order shall be reviewed by the department upon its own initiative or at
11 the request of either parent when such review is required by Title IV-D
12 of the federal Social Security Act, as amended. After review the
13 department shall refer an order to a county attorney or authorized
14 attorney when the verifiable financial information available to the
15 department indicates:

16 (a) The present child support obligation varies from the Supreme
17 Court child support guidelines pursuant to section 42-364.16 by more than
18 the percentage, amount, or other criteria established by Supreme Court
19 rule, and the variation is due to financial circumstances which have
20 lasted at least three months and can reasonably be expected to last for
21 an additional six months; or

22 (b) Health care coverage meeting the requirements of subsection (2)
23 of section 42-369 is available to either party and the children do not
24 have health care coverage other than the medical assistance program under
25 the Medical Assistance Act.

26 Health care coverage cases may be modified within three years of
27 entry of the order.

28 (2) Orders that are not addressed under subsection (1) of this
29 section shall not be reviewed by the department if it has not been three
30 years since the present child support obligation was ordered unless the
31 requesting party demonstrates a substantial change in circumstances that

1 is expected to last for the applicable time period established by
2 subdivision (1)(a) of this section. Such substantial change in
3 circumstances may include, but is not limited to, change in employment,
4 earning capacity, or income or receipt of an ongoing source of income
5 from a pension, gift, or lottery winnings. An order may be reviewed after
6 one year if the department's determination after the previous review was
7 not to refer to the county attorney or authorized attorney for filing of
8 an application for modification because financial circumstances had not
9 lasted or were not expected to last for the time periods established by
10 subdivision (1)(a) of this section.

11 (3) Notwithstanding the time periods set forth in subdivision (1)(a)
12 of this section, within fifteen business days of learning that a
13 noncustodial parent will be incarcerated for more than one hundred eighty
14 calendar days, the department shall send notice to both parents informing
15 them of the right to request the state to review and, if appropriate,
16 adjust the order.

17 Sec. 3. Section 43-512.15, Reissue Revised Statutes of Nebraska, is
18 amended to read:

19 43-512.15 (1) The county attorney or authorized attorney, upon
20 referral from the Department of Health and Human Services, shall file a
21 complaint to modify a child support order unless the attorney determines
22 in the exercise of independent professional judgment that:

23 (a) The variation from the Supreme Court child support guidelines
24 pursuant to section 42-364.16 is based on material misrepresentation of
25 fact concerning any financial information submitted to the attorney;

26 (b) The variation from the guidelines is due to a voluntary
27 reduction in net monthly income. Incarceration may not be treated as
28 voluntary unemployment in establishing or modifying support orders For
29 purposes of this section, a person who has been incarcerated for a period
30 of one year or more in a county or city jail or a federal or state
31 correctional facility shall be considered to have an involuntary

1 ~~reduction of income unless (i) the incarceration is a result of a~~
2 ~~conviction for criminal nonsupport pursuant to section 28-706 or a~~
3 ~~conviction for a violation of any federal law or law of another state~~
4 ~~substantially similar to section 28-706, (ii) the incarcerated individual~~
5 ~~has a documented record of willfully failing or neglecting to provide~~
6 ~~proper support which he or she knew or reasonably should have known he or~~
7 ~~she was legally obligated to provide when he or she had sufficient~~
8 ~~resources to provide such support, or (iii) the incarceration is a result~~
9 ~~of a conviction for a crime in which the child who is the subject of the~~
10 ~~child support order was victimized; or~~

11 (c) When the amount of the order is considered with all the other
12 undisputed facts in the case, no variation from the criteria set forth in
13 subdivisions (1)(a) and (b) of section 43-512.12 exists.

14 ~~(2) The department, a county attorney, or an authorized attorney~~
15 ~~shall not in any case be responsible for reviewing or filing an~~
16 ~~application to modify child support for individuals incarcerated as~~
17 ~~described in subdivision (1)(b) of this section.~~

18 (2) ~~(3)~~ The proceedings to modify a child support order shall comply
19 with section 42-364, and the county attorney or authorized attorney shall
20 represent the state in the proceedings.

21 (3) ~~(4)~~ After a complaint to modify a child support order is filed,
22 any party may choose to be represented personally by private counsel. Any
23 party who retains private counsel shall so notify the county attorney or
24 authorized attorney in writing.
