

One Hundred Fifth Legislature - First Session - 2017

Introducer's Statement of Intent

LB54

Chairperson: Senator Curt Friesen

Committee: Transportation and Telecommunications

Date of Hearing: February 06, 2017

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB54 recognizes the advent of remote car starters and the many conveniences such devices provide and also recognizes that using them to start a vehicle parked on a public road in Nebraska requires an operator to violate 60-6,168 that prohibits leaving a vehicle unattended with its engine running. To protect the integrity of law enforcement LB54 proposes to exempt vehicles equipped with remote car starters from the prohibition in 60-6,168.
