The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

This bill will change the duration of a Class “B” (basic) county highway or city street superintendent license from one year to three years. This will match the three-year duration of the Class “A” (advanced) license, avoiding the burden of annual renewal for Class “B” license holders. This revision will also improve efficiency for NDOT staff who assist the licensing board.
