

**One Hundred Fifth Legislature - Second Session - 2018**

**Introducer's Statement of Intent**

**LB806**

---

**Chairperson: Senator Joni Albrecht**

**Committee: Business and Labor**

**Date of Hearing: January 22, 2018**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 806 harmonizes provisions of the Conveyance Safety Act. Currently 90 counties operate under one set of rules and the 3 counties with a population in excess of 100,000 operate under a different set of rules. LB 806 would make the rules uniform across all counties by eliminating the special rules in place for the 3 larger counties which require (1) elevator contractors and mechanics to be licensed and (2) private residence elevators to be inspected.
