17 emergency.

18 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 2-3213, Reissue Revised Statutes of Nebraska, is
2 amended to read:

3 2-3213 (1) Except as provided in subsections (2), ~~and (3)~~, and (4)
4 of this section, each district shall be governed by a board of directors
5 of five, seven, nine, eleven, thirteen, fifteen, seventeen, nineteen, or
6 twenty-one members. The board of directors shall determine the number of
7 directors and in making such determination shall consider the complexity
8 of the foreseeable programs and the population and land area of the
9 district. Districts shall be political subdivisions of the state, shall
10 have perpetual succession, and may sue and be sued in the name of the
11 district.

12 (2) Except as provided by subsection (7) of this section, at At
13 least six months prior to the primary election, the board of directors of
14 any natural resources district may change the number of directors for the
15 district and may change subdistrict boundaries to accommodate the
16 increase or decrease in the number of directors.

17 (3) The board of directors shall utilize the criteria found in
18 subsection (1) of this section and in subsection (2) of section 2-3214
19 when changing the number of directors. Except as provided in subsection
20 (6) ~~(5)~~ of this section, no director's term of office shall be shortened
21 as a result of any change in the number of directors. Any reduction in
22 the number of directors shall be made as directors take office during the
23 two succeeding elections or more quickly if the reduction can be made by
24 not filling vacancies on the board and if desired by the board. If
25 necessary to preserve staggered terms for directors when the reduction in
26 number is made in whole or in part through unfilled vacancies, the board
27 may provide for a one-time election of one or more directors for a two-
28 year term. The board of directors shall inform the Secretary of State
29 whenever any such one-time elections have been approved. Notwithstanding
30 subsection (1) of this section, the district may be governed by an even
31 number of directors during the two-year transition to a board of reduced

1 number.

2 (4) ~~(3)~~ Whenever any change of boundaries, division, or merger
3 results in a natural resources district director residing in a district
4 other than the one to which such director was elected to serve, such
5 director shall automatically become a director of the board of the
6 district in which he or she then resides. Except as provided in
7 subsection (6) ~~(5)~~ of this section, all such directors shall continue to
8 serve in office until the expiration of the term of office for which they
9 were elected. Directors or supervisors of other special-purpose districts
10 merged into a natural resources district shall not become members of the
11 natural resources district board but may be appointed as advisors in
12 accordance with section 2-3228. No later than six months after any
13 change, division, or merger, each affected board, in accordance with the
14 procedures and criteria found in this section and section 2-3214, shall
15 determine the number of directors for the district as it then exists, the
16 option chosen for nomination and election of directors, and, if
17 appropriate, new subdistrict boundaries.

18 (5) ~~(4)~~ To facilitate the task of administration of any board
19 increased in size by a change of boundaries or merger, such board may
20 appoint an executive committee to conduct the business of the board in
21 the interim until board size reductions can be made in accordance with
22 this section. An executive committee shall be empowered to act for the
23 full board in all matters within its purview unless specifically limited
24 by the board in the establishment and appointment of the executive
25 committee.

26 (6) ~~(5)~~ Notwithstanding the provisions of section 2-3214 and
27 subsections ~~(3)~~ and (4) and (5) of this section, the board of directors
28 of any natural resources district established by merging two or more
29 districts in their entirety may provide that all directors be nominated
30 and elected at the first primary and general elections following the year
31 in which such merger becomes effective. In districts which have one

1 director elected from each subdistrict, each director elected from an
2 even-numbered subdistrict shall be elected for a two-year term and each
3 director from an odd-numbered district and any member to be elected at
4 large shall be elected for a four-year term. In districts which have two
5 directors elected from each subdistrict, the four candidates receiving
6 the highest number of votes at the primary election shall be carried over
7 to the general election, and at such general election the candidate
8 receiving the highest number of votes shall be elected for a four-year
9 term and the candidate receiving the second highest number of votes shall
10 be elected for a two-year term. Thereafter each director shall be elected
11 for a four-year term.

12 (7) Following the release of the 2020 Census of Population data by
13 the United States Department of Commerce, Bureau of the Census, as
14 required by Public Law 94-171, any natural resources district that will
15 have a change to the number of directors as a result of any adjustment to
16 the boundaries of election districts shall provide to the election
17 commissioner or county clerk (a) written notice of the need and necessity
18 of his or her office to perform such adjustments and (b) a revised
19 election district boundary map that has been approved by the board of
20 directors and subjected to all public review and challenge ordinances of
21 the natural resources district by December 30, 2021.

22 Sec. 2. Section 2-3214, Reissue Revised Statutes of Nebraska, is
23 amended to read:

24 2-3214 (1) District directors shall be elected as provided in
25 section 32-513. Elections shall be conducted as provided in the Election
26 Act. Registered voters residing within the district shall be eligible for
27 nomination as candidates for any at-large position or, in those districts
28 that have established subdistricts, as candidates from the subdistrict
29 within which they reside.

30 (2) The board of directors may choose to: (a) Nominate candidates
31 from subdistricts and from the district at large who shall be elected by

1 the registered voters of the entire district; (b) nominate and elect each
2 candidate from the district at large; or (c) nominate and elect
3 candidates from subdistricts of substantially equal population except
4 that any at-large candidate would be nominated and elected by the
5 registered voters of the entire district. Unless the board of directors
6 determines that the nomination and election of all directors will be at
7 large, the board shall strive to divide the district into subdistricts of
8 substantially equal population, except that no subdistrict shall have a
9 population greater than three times the population of any other
10 subdistrict within the district. Such subdistricts shall be consecutively
11 numbered and shall be established with due regard to all factors
12 including, but not limited to, the location of works of improvement and
13 the distribution of population and taxable values within the district.
14 Except as provided by subsection (7) of this section, the ~~The~~ boundaries
15 and numbering of such subdistricts shall be designated at least six
16 months prior to the primary election. Unless the district has been
17 divided into subdistricts with substantially equal population, all
18 directors shall be elected by the registered voters of the entire
19 district and all registered voters shall vote on the candidates
20 representing each subdistrict and any at-large candidates. If a district
21 has been divided into subdistricts with substantially equal population,
22 the board of directors may determine that directors shall be elected only
23 by the registered voters of the subdistrict except that an at-large
24 director may be elected by registered voters of the entire district.

25 (3) Except in districts which have chosen to have a single director
26 serve from each subdistrict, the number of subdistricts for a district
27 shall equal a number which is one less than a majority of directors for
28 the district. In districts which have chosen to have a single director
29 serve from each subdistrict, the number of subdistricts shall equal a
30 number which is equal to the total number of directors of the district or
31 which is one less than the total number of directors for the district if

1 there is an at-large candidate. If the number of directors to be elected
2 exceeds the number of subdistricts or if the term of the at-large
3 director expires in districts which have chosen to have a single director
4 serve from each subdistrict, candidates may file as a candidate from the
5 district at large. Registered voters may each cast a number of votes not
6 larger than the total number of directors to be elected.

7 (4) Elected directors shall take their oath of office in the same
8 manner provided for county officials.

9 (5) At least six months prior to the primary election, the board of
10 directors may choose to have a single director serve from each
11 subdistrict.

12 (6) The board of directors shall certify to the Secretary of State
13 and the election commissioners or county clerks the number of directors
14 to be elected at each election and the length of their terms as provided
15 in section 32-404.

16 (7) Following the release of the 2020 Census of Population data by
17 the United States Department of Commerce, Bureau of the Census, as
18 required by Public Law 94-171, any board of directors requesting the
19 adjustment of the boundaries of election districts shall provide to the
20 election commissioner or county clerk (a) written notice of the need and
21 necessity of his or her office to perform such adjustments and (b) a
22 revised election district boundary map that has been approved by the
23 board and subjected to all public review and challenge ordinances of the
24 natural resources district by December 30, 2021.

25 Sec. 3. Section 16-404, Revised Statutes Cumulative Supplement,
26 2020, is amended to read:

27 16-404 (1) All ordinances and resolutions or orders for the
28 appropriation or payment of money in a city of the first class shall
29 require for their passage or adoption the concurrence of a majority of
30 all members elected to the city council. The mayor may vote on any such
31 matter when his or her vote will provide the additional vote required to

1 create a number of votes equal to a majority of the number of members
2 elected to the city council, and the mayor shall, for the purpose of such
3 vote, be deemed to be a member of the city council.

4 (2)(a) ~~(2)~~ Ordinances of a general or permanent nature in a city of
5 the first class shall be read by title on three different days unless
6 three-fourths of the city council members vote to suspend this
7 requirement, except that in a city having a commission plan of government
8 such requirement may be suspended by a three-fifths majority vote.

9 (b) Regardless of the form of government, such requirement shall not
10 be suspended for any ordinance for the annexation of territory or the
11 redrawing of boundaries for city council election districts or wards
12 except as otherwise provided in subsection (4) of this section.

13 (c) In case such requirement is suspended, the ordinances shall be
14 read by title or number and then moved for final passage.

15 (d) Three-fourths of the city council members may require a reading
16 of any such ordinance in full before enactment under either procedure set
17 out in this section, except that in a city having a commission plan of
18 government, such reading may be required by a three-fifths majority vote.

19 (3) Ordinances in a city of the first class shall contain no subject
20 which is not clearly expressed in the title, and, except as provided in
21 section 19-915, no ordinance or section thereof shall be revised or
22 amended unless the new ordinance contains the entire ordinance or section
23 as revised or amended and the ordinance or section so amended is
24 repealed, except that:

25 (a) For an ordinance revising all the ordinances of a city of the
26 first class, the only title necessary shall be An ordinance of the city
27 of, revising all the ordinances of the city. Under such title
28 all the ordinances may be revised in sections and chapters or otherwise,

30 with or without a saving clause as to the whole or any part without other
31 title; and

1 (b) For an ordinance used solely to revise ordinances or code
2 sections or to enact new ordinances or code sections in order to adopt
3 statutory changes made by the Legislature which are specific and
4 mandatory and bring the ordinances or code sections into conformance with
5 state law, the title need only state that the ordinance revises those
6 ordinances or code sections affected by or enacts ordinances or code
7 sections generated by legislative changes. Under such title, all such
8 ordinances or code sections may be revised, repealed, or enacted in
9 sections and chapters or otherwise by a single ordinance without other
10 title.

11 (4) Following the release of the 2020 Census of Population data by
12 the United States Department of Commerce, Bureau of the Census, as
13 required by Public Law 94-171, the city council of any city of the first
14 class requesting the adjustment of the boundaries of election districts

17 adjustments and (b) a revised election district boundary map that has
18 been approved by the requesting city council and subjected to all public
19 review and challenge ordinances of the city by December 30, 2021. The
20 revised election district boundary map shall be adopted by ordinance.
21 Such ordinance shall be read by title on three different days unless
22 three-fourths of the city council members vote to suspend this
23 requirement.

24 Sec. 4. Section 17-614, Revised Statutes Cumulative Supplement,
25 2020, is amended to read:

26 17-614 (1)(a) ~~(1)~~ All ordinances and resolutions or orders for the

2 the mayor shall, for the purpose of such vote, be deemed to be a member
3 of the city council.

4 (b) Ordinances of a general or permanent nature shall be read by

7 ~~that such~~ requirement shall not be suspended for any ordinance for the
8 annexation of territory or the redrawing of boundaries for city council
9 or village board of trustees election districts or wards except as

11 (c) In case such requirement is suspended, the ordinances shall be
12 read by title and then moved for final passage.

13 (d) Three-fourths of the city council or village board of trustees
14 may require a reading of any such ordinance in full before enactment
15 under either procedure set out in this section.

16 (2) Ordinances shall contain no subject which is not clearly
17 expressed in the title, and, except as provided in section 19-915, no
18 ordinance or section of such ordinance shall be revised or amended unless
19 the new ordinance contains the entire ordinance or section as revised or
20 amended and the ordinance or section so amended is repealed, except that:

21 (a) For an ordinance revising all the ordinances of the city of the
22 second class or village, the title need only state that the ordinance
23 revises all the ordinances of the city or village. Under such title all
24 the ordinances may be revised in sections and chapters or otherwise, may
25 be corrected, added to, and any part suppressed, and may be repealed with
26 or without a saving clause as to the whole or any part without other
27 title; and

28 (b) For an ordinance used solely to revise ordinances or code
29 sections or to enact new ordinances or code sections in order to adopt
30 statutory changes made by the Legislature which are specific and
31 mandatory and bring the ordinances or code sections into conformance with

1 state law, the title need only state that the ordinance revises those
2 ordinances or code sections affected by or enacts ordinances or code
3 sections generated by legislative changes. Under such title, all such
4 ordinances or code sections may be revised, repealed, or enacted in
5 sections and chapters or otherwise by a single ordinance without other
6 title.

13 of his or her office to perform such adjustments and (b) a revised
14 election district boundary map that has been approved by the requesting
15 city council or village board of trustees and subjected to all public
16 review and challenge ordinances of the city or village by December 30,

18 ordinance. Such ordinance shall be read by title on three different days
19 unless three-fourths of the members of the city council or village board
20 of trustees vote to suspend this requirement.

21 Sec. 5. Section 32-329, Reissue Revised Statutes of Nebraska, is
22 amended to read:

23 32-329 (1) The Secretary of State with the assistance of the
24 election commissioners and county clerks shall perform list maintenance
25 with respect to the computerized statewide voter registration list on a
26 regular basis. The list maintenance shall be conducted in a manner that
27 ensures that:

28 (a) The name of each registered voter appears in the computerized
29 list;

30 (b) Only persons who have been entered into the register in error or
31 who are not eligible to vote are removed from the computerized list; and

1 (c) Duplicate names are eliminated from the computerized list.

2 (2) The election commissioner or county clerk shall verify the voter
3 registration register by using (a) the National Change of Address program
4 of the United States Postal Service and a confirmation notice pursuant to
5 subsection (3) of this section or (b) the biennial mailing of a
6 nonforwardable notice to each registered voter. The Secretary of State
7 shall provide biennial training for the election commissioners and county
8 clerks responsible for maintaining voter registration lists. No name
9 shall be removed from the voter registration register for the sole reason
10 that such person has not voted for any length of time.

11 (3) When an election commissioner or county clerk receives
12 information from the National Change of Address program of the United
13 States Postal Service that a registered voter has moved from the address
14 at which he or she is registered to vote, the election commissioner or
15 county clerk shall update the voter registration register to indicate
16 that the voter may have moved and mail a confirmation notice by
17 forwardable first-class mail. If a nonforwardable notice under
18 subdivision (2)(b) of this section is returned as undeliverable, the
19 election commissioner or county clerk shall mail a confirmation notice by
20 forwardable first-class mail. The confirmation notice shall include a
21 confirmation letter and a preaddressed, postage-paid confirmation card.
22 The confirmation letter shall contain statements substantially as

27 (b) If you have not moved or you have moved to a new residence
28 within this county, you should return the enclosed confirmation card by
29 the regular registration deadline prescribed in section 32-302. If you
30 fail to return the card by the deadline, you will be required to affirm
31 or confirm your address prior to being allowed to vote. If you are

1 required to affirm or confirm your address, it may result in a delay at
2 your polling place; and

3 (c) If you have moved out of the county, you must reregister to be
4 eligible to vote. This can be accomplished by mail or in person. For
5 further information, contact your local election commissioner or county
6 clerk.

7 (4) The election commissioner or county clerk shall maintain for a
8 period of not less than two years a record of each confirmation letter
9 indicating the date it was mailed and the person to whom it was mailed.

10 (5) If information from the National Change of Address program or
11 the nonforwardable notice under subdivision (2)(b) of this section
12 indicates that the voter has moved outside the jurisdiction and the
13 election commissioner or county clerk receives no response to the
14 confirmation letter and the voter does not offer to vote at any election
15 held prior to and including the second statewide federal general election
16 following the mailing of the confirmation notice, the voter's
17 registration shall be canceled and his or her name shall be deleted from
18 the voter registration register.

19 (6)(a) In the event that the Secretary of State becomes a member of
20 a nongovernmental entity whose sole purpose is to share and exchange
21 information in order to improve the accuracy and efficiency of voter
22 registration systems, information received by the Secretary of State from
23 such nongovernmental entity is exempt from disclosure as a public record
24 pursuant to sections 84-712 to 84-712.09 and any other provision of law,
25 except that the Secretary of State may provide such information to the
26 election commissioners and county clerks to conduct voter registration
27 list maintenance activities.

28 (b) If the Secretary of State becomes a member of a nongovernmental
29 entity as described in subdivision (6)(a) of this section, the Secretary
30 of State shall submit an annual report electronically to the Clerk of the
31 Legislature by February 1 encompassing the preceding calendar year. The

1 report shall describe the terms of membership in the nongovernmental
2 entity and provide information on the total number of voters removed from
3 the voter registration register as a result of information received by
4 such membership and the reasons for the removal of such voters.

5 Sec. 6. Section 32-330, Revised Statutes Cumulative Supplement,
6 2020, is amended to read:

7 32-330 (1) Except as otherwise provided in subsection (3) of section
8 32-301, the voter registration register shall be a public record. Any
9 person may examine the register at the office of the election
10 commissioner or county clerk, but no person other than the Secretary of
11 State, the election commissioner, the county clerk, or law enforcement

16 registration register. The Secretary of State, election commissioner, or
17 county clerk shall withhold information in the register designated as
18 confidential under section 32-331. No portion of the register made
19 available to the public and no list distributed pursuant to this section

26 the request for the list. The Secretary of State, election commissioner,
27 or county clerk shall establish the price of the lists at a rate that
28 fairly covers the actual production cost of the lists, not to exceed
29 three cents per name. Lists shall be used solely for purposes related to
30 elections, political activities, voter registration, law enforcement, or
31 jury selection. Lists shall not be posted, displayed, or used for

1 commercial purposes or made accessible on the Internet.

2 (3)(a) The Secretary of State, election commissioner, or county
3 clerk shall withhold from any list of registered voters distributed
4 pursuant to subsection (2) of this section any information in the voter
5 registration records which is designated as confidential under section
6 32-331 or marked private on the voter registration application or voter
7 registration record.
