5 hereby created twelve bargaining units for all state agencies except the  
6 University of Nebraska, the Nebraska state colleges, and other  
7 constitutional offices. The units shall consist of state employees whose  
8 job classifications are occupationally and functionally related and who  
9 share a community of interest. The bargaining units shall be:

5 Sergeants, investigators, and patrol officers employed by the Nebraska  
6 State Patrol as authorized in section 81-2004 shall be presumed to have a

8 bargaining unit notwithstanding any other provision of law which may  
9 allow for the contrary;

10 (h) Health and Human Care Professional, which unit is composed of

24 (k) Teachers, which unit is composed of employees required to be  
25 licensed or certified as a teacher; and

26 (l) Supervisory, which unit is composed of employees who are  
27 supervisors as defined in section 48-801.

28 All employees who are excluded from bargaining units pursuant to the  
29 Industrial Relations Act, all employees of the personnel division of the  
30 Department of Administrative Services, and all employees of the Division  
31 of Employee Relations of the Department of Administrative Services shall

1 be excluded from any bargaining unit of state employees.

2 (2) Any employee organization, including one which represents other  
3 state employees, may be certified or recognized as provided in the  
4 Industrial Relations Act as the exclusive collective-bargaining agent for  
5 a supervisory unit, except that such unit shall not have full collective-  
6 bargaining rights but shall be afforded only meet-and-confer rights.

7 (3) It is the intent of the Legislature that professional and  
8 managerial employee classifications and office and service employee  
9 classifications be grouped in broad occupational units for the University  
10 of Nebraska and the Nebraska state colleges established on a university-  
11 wide or college-system-wide basis, including all campuses within the  
12 system. Any unit entirely composed of supervisory employees of the  
13 University of Nebraska or the Nebraska state colleges shall be afforded  
14 only meet-and-confer rights. The bargaining units for academic, faculty,  
15 and teaching employees of the University of Nebraska and the Nebraska  
16 state colleges shall continue as they existed on April 9, 1987, plus the  
17 addition of Kearney State College, and any adjustments thereto or new  
18 units therefor shall continue to be determined pursuant to the Industrial  
19 Relations Act.

20 (4) Other constitutional offices shall continue to subscribe to the  
21 procedures for unit determination in the Industrial Relations Act, except  
22 that the commission is further directed to determine the bargaining units  
23 in such manner as to (a) reduce the effect of overfragmentation of  
24 bargaining units on the efficiency of administration and operations of  
25 the constitutional office and (b) be consistent with the administrative  
26 structure of the constitutional office. Any unit entirely composed of  
27 supervisory employees of a constitutional office shall be afforded only  
28 meet-and-confer rights.

29 Sec. 2. Original section 81-1373, Reissue Revised Statutes of  
30 Nebraska, is repealed.
