

One Hundred Seventh Legislature - Second Session - 2022

Introducer's Statement of Intent

LB1178

Chairperson: Senator Tom Brewer

Committee: Government, Military and Veterans Affairs

Date of Hearing: February 09, 2022

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1178 adds judges -- alongside the existing allowance for law enforcement officers -- to the list of individuals who may request that their personal residential property records be withheld from online publication by county offices.

Members of the public would still be able to access these public records but would need to do so in writing at the county office. This will ensure that an individual requesting such information is doing so for appropriate reasons and without an intent to find a judge's personal residence and harass or otherwise cause harm to the judge or their family.
