---

**Chairperson: Senator Justin Wayne**

**Committee: Urban Affairs**

**Date of Hearing: February 22, 2022**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 726 confirms that municipalities have the power to oversee Sanitary Improvement Districts (SIDs) located in whole or in part within the boundaries of the extraterritorial zoning jurisdiction (ETJ) of a municipality. This includes compliance with the municipality's comprehensive development plan, affordable housing action plan, municipal zoning regulations, and any other reasonable planning requirements established by the municipality. LB 726 also corrects references to the ETJ throughout the SID statutes.
