

# One Hundred Eighth Legislature - Second Session - 2024

## Introducer's Statement of Intent

### LB1399

---

**Chairperson: Senator Dave Murman**

**Committee: Education**

**Date of Hearing: February 05, 2024**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1399 directs public school districts to develop a policy to provide transparency. Upon request by a parent, school districts would be required to provide access to certain school materials within 10 days of such request.

LB 1399 would require school districts with a digital library check-out software to allow parents to opt-in to an email notification when a student checks out a book.

LB 1399 would allow a parent to request to present on any material used by a school.

LB 1399 would require parental notice to be given prior to the administration of a survey with the parent's ability to refuse consent.

School districts that would not be in compliance and have not made a good faith attempt to comply with these guidelines would be subject to appropriate remedial action within the Commissioner of Education's authority.
