AN ACT to amend section 2-3225, Revised Statutes Supplement, 1980, relating to natural resources; to eliminate a restriction on the use of funds from taxes levied by a natural resources district; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 2-3225, Revised Statutes Supplement, 1980, be amended to read as follows:

2-3225. Each district shall have the power and authority to levy a tax of not to exceed three and five-tenths cents on each one hundred dollars of actual valuation annually on all of the taxable property, except intangible property, within such district unless a higher levy shall be authorized by a majority vote of those voting on the issue at a regular election on a referendum question submitted by resolution of the board of directors and certified to the Secretary of State on or before August 25 of the election year. The proceeds of such tax shall be used, together with any other funds which the district may receive from any source, for the operation of the district, ~~but no funds may be used for constructing or purchasing a headquarters or administration building.~~ When adopted by the board, the levy shall be certified by the secretary to the county clerk of each county which in whole or in part is included within the district. Such levy shall be handled by the counties in the same manner as other levies, and proceeds shall be remitted to the district treasurer. Such levy shall not be considered a part of the general county levy and shall not be considered in connection with any limitation on levies of such counties.

Sec. 2. That original section 2-3225, Revised Statutes Supplement, 1980, is repealed.
