Approved by the Governor February 20, 1993

Introduced by Schimek, 27; Horgan, 4

AN ACT relating to the Nebraska Juvenile Code; to amend section 43-285, Revised Statutes Supplement, 1992; to provide for a written independent living plan for certain juveniles as prescribed; to repeal the original section; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. That section 43-285, Revised Statutes Supplement, 1992, be amended to read as follows:

43-285. (1) When the court awards a juvenile to the care of the Department of Social Services, an association, or an individual in accordance with the Nebraska Juvenile Code, the juvenile shall, unless otherwise ordered, become a ward and be subject to the guardianship of the department, association, or individual to whose care he or she is committed. Any such association and the department shall have authority, by and with the assent of the court, to determine the care, placement, medical services, psychiatric services, training, and expenditures on behalf of each juvenile committed to it. Such guardianship shall not include the guardianship of any estate of the juvenile.

(2) Following an adjudication hearing at which a juvenile is adjudged to be under subdivision (3) of section 43-247, the court may order the department to prepare and file with the court a proposed plan for the care, placement, and services which are to be provided to such juvenile and his or her family. The department shall include in the plan for a juvenile who is sixteen years of age or older and subject to the guardianship of the department a written proposal describing programs and services designed to assist the juvenile in acquiring independent living skills. If any other party, including, but not limited to, the guardian ad litem, parents, county attorney, or custodian, proves by a preponderance of the evidence that the department's plan is not in the juvenile's best interests, the court shall disapprove the department's plan. The court may modify the plan, order that an alternative plan be developed, or implement another plan that is in the juvenile's best interests. In its order the court shall include a finding regarding the appropriateness of the programs and services described in the proposal designed to assist the juvenile in acquiring independent living skills. Rules of evidence shall not apply at the dispositional hearing when the court considers the plan that has been presented. The department or any other party may request a review of the court's order concerning the plan by a juvenile review panel as provided in section 43-287.04.

(3) Within thirty days after an order awarding a juvenile to the care of the department, an association, or an individual and until the juvenile reaches the age of majority, the department, association, or individual shall file with the court a report stating the location of the juvenile's placement and the needs of the juvenile in order to effectuate the purposes of subdivision (1) of section 43-246. The department, association, or individual shall file a report with the court once every six months or at shorter intervals if ordered by the court or deemed appropriate by the department, association, or individual. The department, association, or individual shall file a report and notice of placement change with the court and shall send copies of the notice to all interested parties at least seven days before the placement of the juvenile is changed from what the court originally considered to be a suitable family home or institution to some other custodial situation in order to effectuate the purposes of subdivision (1) of section 43-246. The court, on its own motion or upon the filing of an objection to the change by an interested party, may order a hearing to review such a change in placement and may order that the change be stayed until the completion of the hearing. Nothing in this section shall prevent the court on an ex parte basis from approving an immediate change in placement upon good cause shown. The department may make an immediate change in placement without court approval only if the juvenile is in a harmful or dangerous situation or when the foster parents request that the juvenile be removed from their home. Approval of the court shall be sought within twenty-four hours after making the change in placement or as soon thereafter as possible. The department or any other party may request a review of the change in placement by a juvenile review panel in the manner set out in section 43-287.04. The department shall provide the juvenile's guardian ad litem with a copy of any report filed with the court by the department pursuant to this subsection.

(4) When the court awards a juvenile to the care of the department, an association, or an individual, then the department, association, or individual shall have standing as a party to file any pleading or motion, to be heard by the court with regard to such filings, and to be granted any review or relief requested in such filings consistent with the Nebraska Juvenile Code.

(5) Whenever a juvenile is in a foster care placement as defined in section 43-1301, the State Foster Care Review Board may participate in proceedings concerning the juvenile as provided in section 43-1313.

(6) Any written findings or recommendations of the State Foster Care Review Board or any designated local foster care review board with regard to a juvenile in a foster care placement submitted to a court having jurisdiction over such juvenile shall be admissible in any proceeding concerning such juvenile if such findings or recommendations have been provided to all other parties of record.

(7) Any member of the State Foster Care Review Board, any of its agents or employees, or any member of any local foster care

review board participating in an investigation or making any report pursuant to the Foster Care Review Act or participating in a judicial proceeding pursuant to this section shall be immune from any civil liability that would otherwise be incurred except for false statements negligently made.

Sec. 2. That original section 43-285, Revised Statutes Supplement, 1992, is repealed.

Sec. 3. Since an emergency exists, this act shall be in full force and take effect, from and after its passage and approval, according to law.
