LB 930 changes provisions related to the One-Call Notification System Act.

Under the bill's provisions, unless agreed upon by the operator and excavator in writing, no excavation shall be performed within twenty-five feet of an underground natural gas transmission line as defined in 40 C.F.R. Part 192.3 or any underground facility designated a critical facility by an operator unless a representative of the operator or critical facility is present at the planned excavation area.

No fiscal impact.
