This bill makes minor changes to the Uniform Interstate Family Support Act.

This bill makes changes to comply with federal law. All states are required to be compliance with the provisions of P.L. 113-183 beginning in the first quarter following the first legislative session in 2015. The penalty for non-compliance is the withholding for federal child support enforcement funding and Temporary Assistance to Needy Families (TANF) funding. The loss of federal funds could be up to \$85 million annually.

**Explanation of Estimate:**

Fiscal impact to implement LB415 is negligible, or there is no fiscal impact, as the legislation does not significantly amend current Nebraska statutes.

LB415 updates the Uniform Interstate Family Support Act (UIFSA), currently in effect under Nebraska Revised Statute (NRS) Sections 42-701 to 42-051. Public Law (P.L.) 113-183, the UIFSA 2008 Enactment, was signed into law in September 2014. The law amends section 466(f) of the Social Security Act, requiring all states to enact any amendments to the Uniform Interstate Family Support Act "officially adopted as of September 30, 2008 by the National Conference of Commissioners on Uniform State Laws" (referred to as UIFSA 2008).

The changes consist of modest updates to the existing UIFSA language of procedures for processing international child support cases

P.L. 113-183 requires that UIFSA 2008 must be in effect in every state no later than the beginning of the first quarter following the close of the first legislative session. The Federal Office of Child Support Enforcement (OCSE) has advised Nebraska's Child Support program, in writing, that if this is not accomplished, there will be a loss of all federal funding for the program. The OCSE estimate is a loss of federal funds to Nebraska in excess of \$85 million in IV-D funds, TANF funds and incentives.
