LB 950 would amend Nebraska Revised Statutes Sections 77-2604 and 77-4014.

Section 77-2604 is amended to provide for a bad debt reduction of cigarette taxes owed by licensed stamping agent selling at retail.

"Bad debt" is defined as "the taxes attributable to any portion of a debt that is related to the sale of cigarettes subject to tax under Section 77-2602 that is not otherwise deductible or excludable, that has become worthless or uncollectible since the stamping agent filed its most recent report as required..."

A stamping agent claiming a bad debt reduction shall submit the following as evidence of the bad debt:

- A copy of the original invoice;
- > Evidence that the cigarettes were delivered to the person who ordered them;
- > Evidence the person who ordered and received the cigarettes did not pay the stamping agent and the agent used reasonable collection practices in attempting to collect the debt.

Section 77-4014 is amended to make the same bad debt reduction of taxes, definitions, and evidentiary requirements for tobacco products.

The Department of Revenue estimates the following fiscal impact as a result of LB 950:

|              |               | Tobacco Products          |              |
|--------------|---------------|---------------------------|--------------|
| Fiscal Year: | General Fund: | Administration Cash Fund: | Total:       |
| 2016-17:     | (\$ 346,000)  | (\$ 95,000)               | (\$ 441,000) |
| 2017-18:     | (\$ 332,000)  | (\$ 102,000)              | (\$ 434,000) |
| 2018-19:     | (\$ 321,000)  | (\$ 110,000)              | (\$ 431,000) |

The Department indicates the cost to implement the provisions of LB 950 will be minimal.

We have no basis to disagree with the Department of Revenue's estimate of fiscal impact or cost.

LB 950 proposes amending Neb. Rev. Stat. §§ 77-2604 and 77-4014.

Neb. Rev. Stat. § 77-2604 would be amended to allow a bad debt deduction relating to cigarette taxes on the books of the stamping agent as well as evidentiary requirements relating to the deduction. LB 950 Section 1 also defines what is and is not considered a "bad debt" and allows for the stamping agent's potential liability and remittance of taxes, if received, after claiming a bad debt deduction.

Neb. Rev. Stat. § 77-4014 would be amended to allow a bad debt deduction relating to tobacco product taxes on the books of a licensee, pursuant to Neb. Rev. Stat. § 77-4009, as well as evidentiary requirements relating to the deduction. LB 950 Section 2 also defines what is and is not considered a "bad debt" and allows for the licensee's potential liability and remittance of taxes, if received, after claiming a bad debt deduction.

It is estimated that LB 950 would reduce revenue to the General Fund and Tobacco Products Administration Cash Fund as follows:

| Fiscal Year | Fiscal Year General Fund |           | Total     |  |
|-------------|--------------------------|-----------|-----------|--|
| FY 2016-17  | \$346,000                | \$95,000  | \$441,000 |  |
| FY 2017-18  | \$332,000                | \$102,000 | \$434,000 |  |
| FY 2018-19  | \$321,000                | \$110,000 | \$431,000 |  |

Departmental cost to implement the bill is expected to be minimal.
