

## **ATTENTION TEACHERS AND BUS DRIVERS:**

Busses are not allowed to park at the north entrance to the Capitol on 'K' Street. Busses are allowed to stop and unload students, but then need to proceed south of the Capitol to specially designated bus parking areas. (See map on other side.)

Bus parking is marked with bus parking signs, or with no parking signs to warn off car traffic. The Lincoln Police Department has authorized bus parking only in these two designated areas.

After their tour and visit students will be directed out the south door of the Capitol for reloading onto the buses on 'H' Street.

Thank you for your cooperating, please call us at (402) 471-0448 if you have any questions or concerns.
